800 to 1,000
Tags with
one charge

Quick, Simple & Easy

Fits most options.

The Original PowerTagger is ergonomic and fits Allflex™, Z Tag™, Y-Tex™, Fofia™, Leadertags™, Elanco plus many more one or two piece tags by choosing the correct application pin.

The clever jaw design allows maximum flexibility and adjustment for your preferred brand.

Ergonomic
Durable
Fast & Quiet
Light

NEW Fast Action

Everything you need.

Supplied in a durable carry case complete with two spare Li-ion rechargeable batteries.

A tool kit, with pin spanner, spare pins and parts is also included together with a country specific charger.

Li-ion batteries are UN38.3 Certified.

Choice of Pins.

Choosing the correct pin is essential. Every PowerTagger is supplied with the most common Red Universal pin plus spares.

Additional pins are available.

When applying one piece, two piece or EID Tamper evident (closed cap) tags it is important to read the instructions and use the correct make/type of pin for the application.

If in doubt, ask your local reseller/Agent.

Two Models Available:

Multitag (EID/VID)
One Piece/Feedlot

Universal Insert
Allows for
EID or VID
