PRINTING OPTIONS

For two piece and one piece tags

PureBlac™

- Resists fading and UV deterioration over the lifetime of the animal
- High resistance to dirt sticking on the tag
- Superior resistance to any curling
- Outstanding abrasion resistance
- Available on all tag sizes: medium, large and extra large
- Superior print contrast across the colour range
- Suitable for all tag colours, excluding black tags

LaserBlack

- High quality laser printing
- Economic option most popular with beef and sheep farmers
- Printed area is treated with a UV resistant coating
- Available in all sizes: button, medium, large and extra large tags
- Suitable for all tag colours, including black tags

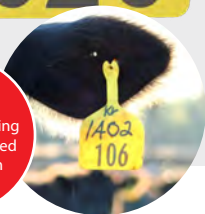

No-Fade Ink Marker

- Suitable for one and two piece tags from Zee Tags
- For better results, apply two even coats of ink to the surface of the tag allowing 20 minutes between coats
- Each marker includes two tips: fine and broad

Laser Marking on Black Tags

Smooth
Protective Coating
Keeps the Printed
Surface Clean
